Key Highlights:

- **Shape & Carat:** Heart (33.06 ct.) – A symbol of love and rarity.
- **Color:** Fancy Yellow (Vivid hue, naturally captivating).
- **Clarity:** VS2 (Feather, Crystal, Needle – minor inclusions typical for size).
- **Cut & Proportions:**
 - Measurements: 19.39 x 22.09 x 10.39 mm | Ratio: 0.88
 - Polish: VG | Symmetry: Excellent
 - Depth: 47% | Table: 70% | Fluorescence: Faint
- **Girdle:** Faceted, Extremely Thick (structural integrity assured).
- **Certification:** GIA (Feb 2025) with laser inscription for authenticity.
- **Location:** Available for immediate inspection in New York.

Unique Selling Points:

1. **Rarity:** Heart-shaped diamonds above 30 carats are exceptionally scarce, especially with this color intensity.
2. **Investment Potential:** Fancy colored diamonds have consistently appreciated in value.
3. **Market Position:** Comparable fancy yellow diamonds >30ct have sold for **\$5M+** at recent auctions (e.g., Christie's Geneva, 2024).
4. **Condition:** No treatments; natural color with **"Extremely Thick" girdle** for durability.
5. **Provenance:** Fully documented, conflict-free, and stored in NYC

Key Terms for NYC Closing:

1. **Price Base:** \$2.75 million USD (includes 5% sales premium).
2. **Closing Location:** Secure facility in NYC (address disclosed upon NDA).
3. **Inspection:** In-person review available with 48-hour advance notice.
4. **Payment:** Wire transfer or escrow (recommended: **Sotheby's/Christie's escrow services**).
5. **Documentation:** GIA certificate (original provided at closing) / Export/compliance paperwork, if applicable.
